ABSTRACT

Prepared by the American Medical Association, this 1969-70 directory and accompanying Spring 1970 supplement list accredited allied medical educational programs by city in the 50 states, District of Columbia, Canal Zone, Puerto Rico, and Japan. Each listing contains the location, institution, type of educational program, affiliation, director(s), entrance requirements, length of program, student capacity, date classes begin, tuition, stipend, scholarships, and certificate or degree. The absence of detailed information within any of the categories of this 1969-70 *Directory* is the result of consolidating the separate lists published in past years. For example, the blank areas under the column entitled Certificate or Degree are not to be interpreted as suggesting that a specific program does not grant a degree or certificate, but rather that the information received by the Editors was incomplete in that specific category. A supplement to the 1969-70 edition of the Directory will include such information, separate lists by occupation, and copies of the *Essentials*.

ALLIED MEDICAL EDUCATIONAL PROGRAMS ACCREDITED

by the

Council on Medical Education of the American Medical Association
in collaboration with the

American Academy of Orthopaedic Surgeons
American Association for Inhalation Therapy
American Association of Medical Assistants
American Association of Medical Record Librarians
American College of Chest Physicians
American College of Radiology
American Occupational Therapy Association
American Physical Therapy Association
American Society of Anesthesiologists
American Society of Clinical Pathologists
American Society of Medical Technologists
American Society of Radiologic Technologists
Society of Nuclear Medical Technologists
Society of Nuclear Medicine

The voluntary National Commission on Accrediting designates the Council on Medical Education of the American Medical Association in collaboration with the other professional associations listed to accredit baccalaureate educational programs for the Medical Record Librarian, Medical Technologist, Occupational Therapist and Physical Therapist. The official Commissioner of Education, U. S. Office of Education, also designates the AMA in collaboration with the organizations listed above to accredit the same and a growing list of other allied medical occupations.

Educational programs are accredited by the AMA and collaborating organizations for the following allied medical occupations:

Certified Laboratory Assistant
Cytotechnologist
Inhalation Therapy Technician
Medical Assistant
Medical Record Librarian
Medical Record Technician
Medical Technologist
Nuclear Medicine Technician
Nuclear Medicine Technologist
Occupational Therapist
Physical Therapist
Radiation Therapy Technologist
Radiologic Technologist

In the fall of 1969, new "Essentials" for the Orthopaedic Assistant were submitted to the AMA House of Delegates, and new "Essentials" for the Histologic Technician were transmitted to the AMA Council on Medical Education.

Educational programs have been accredited by the AMA and the collaborating organizations for nine of the above occupations. The total number of accredited educational programs for each of these nine occupations is:

187	Certified Laboratory Assistant
118	Cytotechnologist
55	Inhalation Therapy Technician
27	Medical Record Librarian
20	Medical Record Technician
787	Medical Technologist
36	Occupational Therapist
49	Physical Therapist
1,152	Radiologic Technologist
2,431	Total allied medical educational programs accredited.

Accredited allied medical educational programs are listed by state, city, and institution. Please send corrections for this Directory to:
